

Post-wedding checklist

- Send out thank you notes within two months.
- Return unwanted and duplicate gifts. Check your receipts – most companies have a 90-day return limit.
- Clean and store your dress. The longer you wait, the harder it is to get out any stains.
- Finalize your wedding album. Pick your favorite photos and order prints for your album and your friends and family.
- Insure your wedding rings.
- Order copies of your marriage license. You'll need to take it just about everywhere with you in the next few months, so make sure you have a few copies just in case.
- Did you move? Send everyone your new address.
- If your name or address changed, get a new social security card and driver's license.
- Figure out your finances – apply for joint accounts and meet with a financial planner.
- Plan ahead for tax season – talk with a tax accountant.
- Review existing insurance plans and change your beneficiary.
- Create or update your will.
- Write a review of your wedding vendors online.
