

questions to ask a photographer or videographer

Do you have business license?

How many weddings have you photographed independently?

What's your style? Traditional, photojournalistic, portraiture?

How much do your packages typically cost?

How independent or collaborative are you with your couples?

Will you provide us with prints, digital copies or an album?

What's your turnaround time for delivering the photos or video?

What rights do you retain to the photos or video from our wedding?

How comfortable are you with shooting in low light? Do you use strobes?

How many hours will you be onsite on the wedding day?

Will you attend any other wedding-related events such as the rehearsal dinner?

Do you have an assistant or second photographer?

Do you carry backup equipment?

Are you insured?

What is your cancellation/refund policy?
